Questions:

1) Does this mean the Police museum is moving out of its current location on
Worcester Street?

2) Will the Police museum take over all the space currently occupied by the
Grafton Cable TV operation?

3) What is the timeframe for this to occur?

4) What will happen to the current Police museum?

Thanks!

Barry,

The State Police Museum is temporarily being moved to [308 Providence Road](#). This is the white building in front of the Farnumsville Mill. The Grafton State Police Barracks, which will house the museum sustained fire damage last year and is being renovated. The [308 Providence Road](#) location allows them to stay in Grafton while they renovate the Worc Street barracks.

Grafton Cable TV is located at [296 Providence Road](#) and is not impacted by this application.
